

Activity: Discuss & Reflect 4.3.- 4.4.

(answers can be written in this provided sheet)

Think about personal and professional relationships in ASD.

1-What do you think about people with ASD when concerning working, friendship, marriage, life projects? Do you relate these aspects to social and communication skills?

2- Do you have thoughts about how people with ASD build these relationships?

3-Did these videos help change your view on these topics?
